For immediate release:

I have known and worked with Judge Harold Specht for the past several years, when he was the Chief Assistant Prosecutor and Judge of Eastern County Court. He is a man of Integrity and always has the public's best interest's and safety in mind when making decisions from the bench. Judge Specht is committed to Law and Order. Judge Specht is known to be tough but fair with criminals and will always make sure the victims of a crime are never forgotten.

I ask you to stand with me and support Judge Harold Specht for Judge of the Court of Common Pleas this November election.

Sincerely,

William R. Niemi, Sheriff
