JUVENILE DIVISION
ASHTABULA COUNTY, OHIO

IN THE MATTER OF:	)	CASE NO. 24 JA 175

	)	JUDGE ALBERT S. CAMPLESE
Q[redacted] G[redacted]	)	
(DOB [redacted]06)	)

Now comes the State of Ohio, by and through counsel, Tamara Wetherholt, Assistant Prosecutor for APRIL R. GRABMAN, the duly qualified, elected and acting Prosecuting Attorney for Ashtabula County, Ohio, and hereby requests a warrant be issued for Q[redacted] G[redacted], DOB [redacted]06.

As grounds for said Motion, the State asserts that the Juvenile, who has now attained the age of majority, is in violation of his terms of release from detention on October 18, 2024. Specifically, on October 16, 2024, this matter came before the Court as the Juvenile was housed in Mahoning County Youth Detention Center on one count of Felonious Assault with a firearm specification as well as one count of Discharging a Firearm on or Near Prohibited Premises, all felony offenses if committed by an adult. At that time, the Court ordered the Juvenile released on October 18, 2024 to his mother, Rachel Castrilla to be returned to his home in Texas. The Court ordered the Juvenile on house arrest with parent surveillance, finding that the Juvenile's mother, Rachel Castrilla or father, Quinton Gaines, Sr. may monitor him. The Court further indicated that the juvenile may leave the home only to attend school, medical appointments or work.

Upon his release from detention on October 18, 2024, the Juvenile signed terms of house arrest placing him on house arrest until the next pre-trial on December 3, 2024. Due to inclement weather, the Court was closed and the pre-trial hearing did not occur that day. The Court then rescheduled the pre-trial hearing to February 7, 2025.

Although the date of house arrest has terminated, the State asserts that the Court's intention was very clear. The Juvenile was to remain with his parents in Texas until further order of this

Court, finding that the Juvenile will return to Texas with his mother, and will reside with either Mother or Father.

On January 6, 2025, a warrant was issued in Harris County, Texas, for the Juvenile for capital murder. Subsequently, on January 15, 2025, the Juvenile was apprehended in Conneaut, Ohio on this warrant. Thus, the State asserts that the Juvenile was in direct violation of his terms of release on his Juvenile charges, having returned to Ohio and not maintaining residency in Texas. Further, the State asserts that the Juvenile is clearly a risk of harm to others, based on his capital murder charge in Texas. Having absconded to our jurisdiction, the State asserts that we have a duty to protect the public.

Based on the foregoing reasons, the State is seeking to have a warrant issued for the Juvenile's arrest. Further, the State is seeking to have the Juvenile remanded to the Youth Detention Center pending further order.

Respectfully submitted,

APRIL R. GRABMAN, 0095333
PROSECUTING ATTORNEY
